The King

They called him the King of Fuck Mountain.

Another of Josh's stupid nicknames, but unlike 'Sexy-mexi`, the origin of this one wasn't easy to remember. But Joey liked it. It made him feel...smug.

He felt the same way when Troy clawed at his chest, slipped nimble fingers through silver rings and tugged as if begging for more. He felt it when Troy's hair fanned against the pillows, when the sweat and saliva from his open mouth left a damp trail after every scream. The feeling lingered after with each red scratch crossing his shoulders.

It was good to be King.
